1 SRB is a bank which provides loans to business customers. SRB plans to make 100 managers' jobs redundant from its 80 branches. This would remove one level of hierarchy. This is part of its plan to save \$1m in costs over the next 2 years. The Managing Director said: 'SRB is working with the trade union about this plan. SRB will make more use of delegation. The bank has to respond to increased competition from online banks. SRB could either advertise more or develop new products and services.'
